THE JOURNEY

How Our *Franchise Model* Works

Six curated sequential stages from primary underwriting to your flagship grand opening launch.

01 Apply Online

Submit your initial enterprise inquiry outlining executive background, target area, and liquidity setup.

02 Business Review

Our selection committee evaluates your credentials and arranges an executive video consultation.

03 Market Approval

We conduct demographic and location analysis to guarantee maximum brand placement and visibility.

04 Training & Setup

Four weeks of comprehensive immersion in Paris covering operations, design architecture, and guest experiences.

05 Launch Support

Our corporate opening unit deploys directly to your territory to manage a flawless media launch event.

06 Growth Partnership

Benefit from structural brand management, targeted global marketing assets, and continuous business scaling tools.

CORPORATE ECOSYSTEM

A *Proven* Global Infrastructure

Capitalize on secure vertical logistics, specialty micro-lot sourcing channels, and highly profitable product lines. Our brand design architecture commands immediate market trust and high consumer retention.

International Footprint Alignment

Secure immediate market separation via high-end Parisian brand legacy.

Bespoke Production Frameworks

Direct ongoing support and localized campaign structures out of our creative house.

Sophisticated Technology Suites

Fully customized high-throughput POS, membership ecosystems, and data dashboards.

CAPITAL REQUIREMENTS

€250k – €450k

Encompasses initial franchise rights, premium architecture direction, top-tier setup hardware, and primary stock reserves.

DEPLOYMENT ROADMAP

4 – 6 Months

The exact transition timeline spanning from formal signing mechanics to the execution of your grand opening launch.

HISTORICAL RETURN WINDOW

18 – 24 Months

Calculated from verified net operational tracking cross-checked over our active international network locations.

UNDERWRITING CRITERIA

Partner *Qualifications*

- ✓ Demonstrated excellence in managing upscale brands or managing high-performing operational corporate teams.
- ✓ Minimum immediate personal liquid asset availability of €100,000.
- ✓ Comprehensive operational understanding of premium lifestyle trends in your territory.
- ✓ Unyielding commitment to implementing our core Parisian luxury specifications.

CLARIFICATIONS

Frequently Asked *Questions*

- What is the baseline corporate vetting timeframe?**
Primary profile evaluation runs 7-14 business days. Structural territory analysis and complete contract finalization typically process within 30-45 days.
- Are multi-unit expansion agreements open for application?**
Yes. Qualified entity operators with verified capital structures can request regional area development protections for scaling operations.
- Is direct hospitality or F&B background mandatory?**
Not strictly required, provided your general operation has an approved, premium-level executive partner managing daily retail mechanics.
